PRINCIPAL'S REPORT

Welcome back for Term Three. During the holidays we had some substantial work undertaken on the computer network. While we are still experiencing some problems with the system it will soon be operating at an improved level within the next week.

Everyone would have seen our huge "Enrol Now" banner facing Rathdowne Street. Please pass the word around that we are now taking enrolments for next year.

Thanks to those parents who came in during the holidays to improve our playground. I'm sure the children appreciate the work that was undertaken.

Don't forget school photos will be taken next Thursday.

Peter Devereux
Principal

CLASSROOM HELPERS PROGRAM

This term our school will be introducing a Classroom Helpers Program. This program aims to give parents and carers a better insight into the ways children develop their literacy skills and includes strategies to help students learn. If you are interested in participating in this program, please pick up an information sheet from the office.

PARENT/TEACHER INTERVIEWS

Parent/Teacher interviews will be conducted on Tuesday 11th July. If you have not returned your interview slips please do so as soon as possible.

P/1/2 I CAN COOK DAY PHOTOS

Photos from last term's very successful "I can cook day" are on display in the front foyer. These photos are available for purchase from the office.

MAGAZINE REQUEST

The P/1/2 classes are looking for old magazines to use for a variety of activities. If you have any that would be suitable for students to cut out pictures, please bring them to the P/1/2 class.

Thanks
Cassandra & Genevieve

★NEW★ NEWSLETTER

Next week our newsletter will undergo some changes. The design will be based around a flyer we developed late last year. If you have any items you wish to have included in future newsletters this information must be received by the school before 11:30 am on Thursdays.
