Parent Teacher Interviews

This year Parent Teacher Interviews will help over two nights, Wednesday 22nd and Thursday 23rd of June. Interviews will commence at 3:45 on both days concluding at 8:00pm on Wednesday and 7:00pm on Thursday. Bookings need to be made through Compass so please ensure that you can log in. Students will receive information about how to book an interview later this week.

Supervision before and after School

Under DET guidelines the school provides supervision in the yard 10 minutes before the official start of school and 10 minutes after the completion of classes for students at the end of the day. To this effect there are staff members on yard duty from 8:50 each morning and 3:30 following classes. This means that no children are allowed to be on playground equipment before 8:50am and after 3:45pm as there is no formal supervision of students. In addition, we know many students attend school a lot earlier in the morning and remain later in the day before and beyond these times. To cater for this we provide an Out of School Care facility which is currently run by OSHClub in the Art room for our students.

Late

Please be aware that school starts at 8:55am. Students arriving after 8:55 will be marked as late.

All students who arrive late need to sign in through Compass at the office.

Calendar Events

Celebration Tree

Carlton Gardens Primary School is a safe and supportive school environment, where thoughtful and positive experience occur every single day. Please help us celebrate these moments by providing positive feedback using our CELEBRATION TREE.

All members of our school community (parents, students, teachers, visitors) are invited to comment on experiences they were involved in, and record their messages of public thanks on a leaf that can be added to our tree.

Our celebration tree is located on the wall near the school office.

Help us celebrate all the wonderful actions that occur within our school community every day.

Leaves are available from the office.

Open Morning

On Tuesday 17th of May between 9:15 until 10:45 we held our annual open morning. Parents were invited to come along and visit their child’s classroom to see educational activities in progress. It was a great success.

Kitchen Garden

Work on our kitchen garden was recently completed. Students are recently undertook investigations to determine what type of plants should be planted in the garden beds. They then travelled to Bunnings to purchase vegetable seedlings to plant. The children are looking forward to harvesting their vegetables.
Kung Fu For Children! First Class Free!

Benefits:

- Get fit and have fun
- Improve your hand and eye co-ordination
