Bring Your Own Device (BYOD)

It has been great to see a number of children have started to bring ICT devices to school. Students have been actively using these devices in the classroom for the past two weeks. If you would like your child to bring a device please sign the BYOD agreement available on Compass.

We would recommend that if your child is bringing a device to school they should have a protective cover for their device to help avoid accidental damage. We also recommend that devices have parental restrictions turned on if available. We have included instructions for turning parental restrictions on on an iPad in this newsletter.

We would like to remind parents that we are conducting a survey about our BYOD program. To help us formalise our policy please visit our website and complete a survey or click here.

Calendar Events

- 20th August - Sister School Visit Commences
- 26th August - Book Week Parade
- 26th August - Sister School Visit Concludes.
- 29th - 31st August - 3/4 Camp
- 7th - 9th September - 1/2 Camp
- 16th September - Last Day of Term Three
- 3rd October - 1st Day of Term Four

Late

Please be aware that school starts at 8:55am. Students arriving after 8:55 will be marked as late.

All students who arrive late need to sign in through Compass at the office.
Book Day Parade

This Friday 26th August students are asked to come to school dressed as their favourite book character. We hope to see all our students in costume. There will be prizes awarded to the best dressed students. Weather permitting there will be a parade of all the students after 9:00am on the basketball court.

Grade 1/2 Camp

Just a reminder that payments for Grade 1/2 Camp need to be made by Wednesday 24th August. Thank you to all the families who have already paid.

Science Day

On Friday 19th August we held Science Day at Carlton Gardens Primary School. Students completed science based activities across the school. Be sure to check out the photos from the day later in the newsletter.

Sister School Assembly

On Friday 26th August there will be a special assembly to say goodbye to our visitors from our sister school in Jiangsu, China. The assembly commences at 11:30.

Tennis

Our students in Grades Prep, 3/4 and 5/6 recently started tennis lessons. Each class has one hour of tennis each week. The lessons will run for four weeks.

Message from OSH Club

School holidays are approaching fast, you can now find the flyer for what is happening on the oshclub website or it should have been sent to you via email if you are registered. Please ensure to make your bookings sooner rather than later to avoid disappointment, especially for our excursion days. Please note that the program will be running from the 19th to the 29th of September. We will be closed on the 30th of September for the Grand final public holiday.

For any further enquiries, please feel free to come and see us or alternatively you can give us a call on 0431 608 071.

Thanks Rob

New players welcome

Players must register and pay by 14\textsuperscript{th} August to ensure a place in a Summer team

Enquiries: Megan Rouse 0417 106 490 manager@collingwoodbasketball.com.au
At Carlton Gardens students miss on average 21 days of school each year. That’s nearly a year of school by grade 6.

Every Day Counts

Attendance @ CGPS

Going to school every day is the single most important part of your child’s education. Students learn new things at school every day – missing school puts them behind.

Why it’s important
We all want our students to get a great education, and the building blocks for a great education begin with students coming to school each and every day.

If students miss school regularly, they miss out on learning the fundamental skills that will set them up for success in the later years of school.

There is no safe number of days for missing school - each day a student misses puts them behind and can affect their educational outcomes.

Each missed day is associated with progressively lower achievement in numeracy, writing and reading.

Getting in early
Attendance patterns are established early - a child regularly missing days in prep or in the early years of school will often continue to miss classes in the later years, and receive lower test scores than their classmates. It’s vital that students go to school every day – even in the early years of primary school.

What you can do?
The main reasons for absence are:

Sickness - There are always times when students need to miss school, such as when they’re ill. It’s vital that they’re only away on the days they are genuinely sick.

Holidays - It’s vital that holidays are planned during school holidays where possible, and not during the term if it can be avoided.

“Day off” - Think twice before letting your child have a “day off” as they could fall behind their classmates – every day counts.

Truancy - This is when students choose not to go to school without their parent’s permission. There can be many reasons for truancy. The best way to address this is for schools and parents to work together.

If for any reason your child must miss school, there are things you can do with your school to ensure they don’t fall behind.

If you’re having attendance issues with your child, please let your classroom teacher know so we can work together to get your child to school every day.
Cricket Players Wanted

Dear Potential Players & Parents,

We would like to invite your students to consider playing cricket at Edinburgh Cricket Club. We are based at Brunswick St Oval in North Fitzroy and pride ourselves on offering Cricket for Everyone. Our programs run from Milo for 4-9 year olds of both genders through a quality junior program for boys and girls and senior cricket for all genders and ages.

1. Female Cricket
At Edinburgh Cricket Club we are big supporters of female sport and we believe cricket is a great sport for girls. We are particularly focused on developing female cricket. Edinburgh has a long association with female cricket that is experiencing strong growth in numbers over the last few years. Last year we had both a senior women’s team and a junior girls team with girls aged from 8-15. With numbers growing, this season we will have 2 x senior women’s teams and at least 1 x u17 and 1 x u15 junior girls teams.

2. Milo
We offer an excellent Milo program for kids from ages 4 up at Brunswick St Oval on Saturday mornings from Oct-Dec and Feb-early March. Our program includes professional coaches and we focus on creating a fun environment where all kids can develop their skills and hopefully a love of the game.

To register please go to:

3. Junior Boys
Our junior boys program runs from U10s through to U18s. Again we pride ourselves on having good coaches and a quality program based on skill development and fun. If you are interested in discussing our program or registering, please contact us on the below details or checkout more details on our website at:
http://www.edinburghcricketclub.com/juniors/

If anyone has any queries, please feel free to contact us at edinburghcricketclub@gmail.com or call Pauline on 0418 336 754.

Best regards,

Stuart Whiley
President

wingchunbingfa@gmail.com

Location: Level 4/252 Swanston St (Cookie restaurant below/Rooftop bar and cinema on top).
HOT SHOTS
Hot Shots is one of the most successful programs aiming at introducing kids into tennis. The modified equipment and the fun activities create the perfect scenario for the new tennis superstars.

RED BALL
This level is for players from 5 to 7 years old. In a 30 minute session, the program will help to introduce children into body coordination, self-confidence and group interaction.

ORANGE BALL
This level is for players from 7 to 8 years old. The 45 minute session will help to develop technique, body coordination, self-confidence and the ability to rally in a group experience.

GREEN BALL
This is for all the players over 9 years old. The 60 minute lesson will help to consolidate technique and swing patterns, game strategy and develop physical skills.

PRIVATE AND SEMI PRIVATE LESSONS AVAILABLE
Private lessons are ideal for the beginner player who wants to learn the basics, the intermediate player who wants to improve its technique and the advance player that needs to work on a specific part of its game.

You could have 60, 45 and 30 minute lessons to improve your game.

CARLTON GARDEN PRIMARY SCHOOL kids won Champion Awards, Gold Medals and Trophies for demonstrating skills on the stage in BRAINOBRAIN II NATIONAL ABACUS Competition Festival held on 31st July, 2016 in Melbourne.
Use Restrictions on your iPhone, iPad, and iPod touch

Turn on Restrictions

1. Tap Settings > General

2. Tap Restrictions

3. Tap Enable Restrictions and create a passcode for Restrictions. Don’t forget this passcode. In the future, you’ll need your Restrictions passcode to change your settings or to turn off Restrictions.

If you lose or forget your Restrictions passcode, you’ll need to erase your device and then set it up as a new device to remove the Restrictions passcode. Restoring the device using a backup won’t remove the passcode.

What you can restrict
To see which apps and features you can restrict, go to Settings > General > Restrictions. Here you can turn on or off restrictions for the listed apps and features.
If an app or feature is on or if there’s a checkmark next to it, anyone using your device can use that app or feature. Otherwise, no one can use that app or feature.

Changes to settings and accounts
- Accounts (you can prevent changes to Mail, Contacts, Calendars, iCloud, Twitter, Facebook, Vimeo, Flickr, iTunes, App Store, iMessage, and FaceTime)
- Cellular Data Use (you can prevent changes to cellular-data settings on cellular-enabled devices)
- Background App Refresh
- Volume limit
- Media Library
