Leaving Carlton Gardens?

It is the time of year where we start to project numbers and plan for the future year. If you believe that your child/ren may be leaving Carlton Gardens at the end of 2015 (and not as a Level 6 student) please let us know. We would hate to see you go but your early notification really assists the planning for students and staffing.

We also ask that you advise the school if you are planning extended summer holidays and your child will not be back to start school on Thursday 28th January 2016.

If your child won’t be attending CGPS at the start of 2016, please fill out the form attached in this week’s newsletter or pop into the office to fill one out.
Petition to use the Park for Sporting Events

You may or may not be aware that Carlton Gardens has strict regulations that restrict our use of the gardens without applying for permits to use the park, months in advance. Here at Carlton Gardens Primary School, we wish to provide opportunities and encourage our students to be physically active to support a healthy lifestyle now and in years to come.

We are petitioning our local council for regular access to Carlton Gardens due to our small school grounds, in order to provide more sporting and exercise opportunities for our students.

You can sign this petition in the office.

Parking carefully

Our crossing supervisor, Scott has asked parents to please be careful before and after school when parking in front of the school. Some drivers are double parking and this has caused some near misses.

Toilet Update

The Senior Facilities Officer in DET has advised that they are sending an architect out within the next week or two to inspect the toilets including the new outdoor toilet facility and assess the current plans. Meanwhile some repairs have been done to the girl’s toilets. In the interim the toilets are cleaned twice a day.

Outdoor Kitchen and Garden Update.

Construction of the outdoor area has been delayed as there was no access to the rear lane. MCC had to do urgent works to the laneway. Thankfully the work has now been completed and work on the outdoor area has resumed.
