

	<p>Carlton Gardens Primary School</p> <p>EXTREME TEMPERATURE POLICY</p>	<p>Authorisation July 2016 Review: 2019</p>
-----------------------------------------------------------------------------------	--------------------------------------------------------------------------------	---------------------------------------------------------------------

Purpose:

Schools have a duty of care to staff and students at all times. This duty of care includes protection against extreme weather during times when students would normally be outside.

Aim:

To ensure the wellbeing of students and staff during times of extreme weather by consistently implementing a planned management strategy that will cater for all circumstances.

Implementation:

- As part of the usual yard duty timetable process, an extreme weather timetable will be activated by the Principal when conditions outside are considered to be unsuitable for students and staff.
- Extreme weather is generally defined as extreme heat, rain, lightning, or any other condition that is considered by the Principal to be unsuitable.
- Where extreme weather is obvious prior to children being dismissed for a recess or lunch break, an announcement will be made by the Principal or a member of the leadership team advising class teachers to follow the extreme weather time-table until further notice. In such cases, yard duty teachers will supervise the grades. One teacher is required upstairs and one teacher required downstairs for half the recess or lunch break, then swap over.
- All children will be confined to classrooms unless permission has been granted by a teacher to leave temporarily, e.g. toilet break.
- Children will be expected to walk indoors at all times and undertake appropriate indoor games and activities.
- In the case of extreme weather during a recess break, a yard duty teacher will inform the Principal/Assistant Principal of the possible need to activate the extreme weather timetable. The Principal / Assistant Principal will assess the situation and make the decision to call the children inside.
- In the event of children being required to come inside the school buildings, yard duty teachers will supervise the students entering the building.
- All staff and students are required to wear broad-brimmed hats during Terms 1 and 4 consistent with the school's Sunsmart Policy.
- Scheduled sport, physical education or other outside activities will need to be rescheduled or alternatively organised during times of extreme weather.

Evaluation

This policy will be reviewed as part of the school's three year review cycle.
