Gardenfest

Gardenfest is fast approaching. Classes are busily writing their scripts, rehearsing and filming. This year classes are attempting a number of special effects and there is even some green screen work. The films are going to be amazing.

In the next few weeks classes will be releasing their film trailers so keep an eye out on twitter, tiqbiz and the school website. Tickets go on sale on November 26. Make sure you get in early so you don’t miss out.
P&F Trivia Night.
On Friday 7th November P&F hosted their annual trivia night. The night was a great success raising over $2500 for the school. We would like to say a huge thank you to James Gathercole, Megan Stevenson, Gigliola Aru, Claire Sowerby, Leah Wilson, Kim Jae-Kyung, Brandi Williamson, Vrinda, Shweta and in particular Natasha Suran for managing and running the event.

Grade 3/4C Class Visit
Grade 3/4 students were lucky enough to have another inspiring parent in Karen Hitchcock join us to share some of her experiences as both a doctor and a writer. Karen has numerous publications and shared a lot about her love of reading and writing, much to the delight of the students. She fielded a number of excellent questions and certainly inspired a few future authors and doctors out there! Thanks to Karen for sharing your time!

School Fun Run
On Friday 14th November we held our annual fun run. It was a fantastic morning and all the students had a great time. We would like to thank all the parents who volunteered and helped out as well as a big thank you to Mirella for organising the day.
Graduation Catering
It is not long before our Grade 6 students graduate from primary school. Teachers are busy organising the students’ graduation celebration and are looking for community support. Currently we are seeking assistance in catering the event. If you or your personal networks are able to provide food for a reasonable price, please contact our Grade 6 teachers, Mirella Faulkner and Emma Patterson. Your assistance would be greatly appreciated.

Grade 1/2J Gardenfest
It’s Term Four and Gardenfest preparation is well underway in 1/2AJ! Throughout the past few weeks we were privileged enough to work with Campbell and Steve Walshe (Bruce Creative) to write our script, delegate important roles and film our movie. We learnt all about using a green screen, operating sound and lighting equipment and acting in a film. It was really hard work! We didn’t realise that actors spent so much time waiting for their scene and practising their lines, to get everything just right. We can’t wait to see the finished product and we hope to see you all at Gardenfest in December.

Harmony Fete Poster Competitions
Just a reminder that students entering the Harmony Fete Poster competition need to have their entries completed and returned to school office by Friday 5th of December. The prize is a $50 voucher for art supplies.

Punctuality
Please ensure that students are at school before 8:55. Due to the structure of our lessons students who miss the first five to ten minutes of a lesson have trouble grasping the concepts being covered.

Winner!
A huge thank you to Chantel Simon from 1/2 AJ! She won our school $250 from Australian Geographic stores, and we were able to buy some excellent science resources as well as some really fun games for inside clubs. Well done Chantel!
Program Update

On Monday 10th we welcomed a new permanent afternoon staff member, Jasmine, into our OSHClub community. Jasmine has completed a Graduate Diploma of Education and has worked with children in primary schools and has run after school drama classes. She has just returned from an overseas trip and is excited to work with our children and families. A warm welcome to Jasmine!

OSHClub Parents Show and Tell is going well, we have had one parent come to speak thus far and we learnt a lot about a historic public Melbourne building. If you have something from your workplace or a hobby that you would like to share with the children please give us a call, or let us know that you’re interested when you come to collect your child and we can figure out which afternoon would suit best.

This week the OSHClub children will be learning about sustainability and creating recycled paper cards and envelopes from all of our waste paper. You will be able to buy these at the 2015 school fete. During out catchup meeting children suggest themes and games we can play, one child suggested the theme of “zodiacs”. We are looking at the different zodiacs, where they come from, what they mean, and creating craft based on what we learn together.

As the weather warms up we will be enjoying frozen fruit as special snacks. Please remember that our sun safety policy means we need to be wearing our broad-rimmed hats and children are supplied with sunscreen once at the afternoon service.

An important reminder: please make sure that if a family friend, neighbour, relative or baby sitter who is not on your enrolment form is picking up your child that you provide written permission and their full name. We are required to check the ID of anyone collecting children from the service. At the soonest convenience please update your enrolment details to include anyone who picks up your child as an “emergency contact”.

I am looking forward to another fortnight with our OSHClub children! Our parent suggestion book is by the sign in table, any feedback or suggestions is always appreciated.

**FETE MEETING **

Thank you to all of you who have volunteered to help organise the fete. We really appreciate your generosity of time and creativity. It’s what makes the fete successful and fun for all of us.

We would like to have an evening catch-up with all of you this term so you are able to share your ideas and insights from last year with next year’s fete in mind. This will be the only full fete organising meeting this term. We really appreciate you making time to come. Kids are welcome!

**TUESDAY 2ND DECEMBER**

**6-30PM IN THE ART ROOM**

Claire and Robyn will be there to give an overview of what we will be organising (permits, promotion, donations, logistics, layout etc). Please feel free to ask us for any support you need.
