**Purpose:**

**Scope**

This policy outlines our school’s arrangements for visitors who attend school grounds when the school is open for instruction between the hours of 8:00am to 4:00pm and when the office is staffed to monitor/receive visitors at reception, including parents, contractors, and the local community. Outside of these times, our front office is not staffed and this policy does not apply.

**Definitions:**

Child-related work: As defined by the Worker Screening Act 2020 (Vic), child-related work is work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person’s duties. It does not include work that involves occasional direct contact with children that is incidental to the work.

In some circumstances, visitors to Carlton Gardens Primary School who are not engaged in child-related work will also be required to produce a valid WWC Clearance depending on the particular circumstances of their visit. For example, Carlton Gardens Primary School will require a valid WWC Clearance for:

- **visitors who will be working regularly with children** during the time they are visiting, even though direct contact with children is not a central part of their normal duties

### **Invited speakers and presenters**

On occasion, Carlton Gardens may invite external speakers or providers to deliver incursions, presentations, workshops and special programs for our students. Consistent with Department of Education and Training requirements, Carlton Gardens will:

- ensure that the content of presentations and programs by external providers contributes to the educational development of our students and is consistent with curriculum objectives
- ensure that any proposed visit, programs or content delivered by visitors complies with the requirement that education in Victorian government schools is secular and is consistent with the values of public education, Department policies and the Education and Training Reform Act 2006 (Vic). In particular, programs delivered by visitors are to be delivered in a manner that supports and promotes the principles and practice of Australian democracy including a commitment to:
  - elected government
  - the rule of law
  - equal rights for all before the law

- freedom of religion, speech and association
- the values of openness and tolerance
- respect the range of views held by students and their families.

**Parent Visitors:**

We understand that there may occasionally be a reason why a parent or carer may want to speak to or see their child during school hours.

If there is a particular pressing or unavoidable issue that cannot wait until the end of the school day, we ask that parents or carers call the school office to make the request to speak to or see their child during school hours.

We also ask that parents avoid arranging to visit their children at school wherever possible, as this can cause inappropriate disruptions to the school day.

All parents or carers who visit our school during school hours, other than for the purposes of school pick ups and drop offs or for specific school events (eg parent teacher interviews, concerts, assemblies etc), are required to sign in as a visitor at the school office.

Parents or carers who are prohibited from entering the school under a court order or direction of the Principal are not permitted to visit the school. Our school has restricted parents/carers information maintained on CASES21/Compass. This will be flagged when a restricted parent/carers tries to sign out a student. There are also photographs and other relevant information at the office depending on the level of risk posed.

**Other visitors:**

All business operators, tradespeople and other visitors attending the school to conduct work must report to the school office upon arrival for instruction and follow the sign in procedure outlined above.
