Purpose:

At Carlton Gardens Primary School, we endeavour to provide an open and friendly learning environment for every student, which values and actively welcomes visitors into our school. At the same time we recognise our duty of care to ensure a safe environment for our students and staff, and we recognise our responsibility to protect and preserve our resources against theft, vandalism and misuse.

Aim:

To provide a safe and secure environment for our students, staff and resources.

To establish protocols and procedures that effectively monitors and manages visitors within our school, whilst not compromising the open and inviting nature of our school.

Types of Visitors:

Visitors to the school may include, but are not limited to:

- Prospective parents and employees
- Parent and community volunteers
- Invited speakers
- Sessional instructors
- Local members of State and Commonwealth Parliaments
- Booksellers
- Official school photographers
- Trades people
- DHS
- Worksafe officers

Implementation:

- Whilst we actively encourage open-door policy at Carlton Gardens PS, the safety of our students, staff and resources remain our highest priorities.
- All visitors will be required to report to the administration office prior to undertaking any activity within the school, where they will be required to sign a 'Visitors' book and will be assigned a 'Visitors' badge which they must wear at all times within the school. Similarly, visitors will be required to report to the administration office at the end of their visit to return their badge and to sign out in the Visitors book.
- There are department requirements for paid or volunteer workers to have a Working with Children Check.
- Visitors will be provided with directions, and will be made aware of any construction works etc. that may impact upon their safety or comfort.
- The above-mentioned process for managing and monitoring visitors will be regularly published in the school newsletter, and will appear at the main school entrance.
- Visitors within the school who have failed to follow this process will be reminded to do so.
- Under the Summary Offences Act 1966, the principal reserves the right, and has the authority to prohibit any potential visitor from entering or remaining within the school, and also has the authority to invite or exclude people from using or being within the school boundaries outside of school operating hours.
- The school's emergency management procedures will ensure that visitors within the school at the time of any emergency or practice drill will be recognised and be appropriately catered for.

Evaluation:

This policy will be reviewed as part of the school's three-year review cycle.
